JOINT REPORT OF SETTLEMENT STATUS

The parties, by and through their below-signed attorneys, state to the Court that on October 24, 2005, they reached final agreement on the terms of their settlement of the above-captioned case. The parties further state that on November 1, 2005 they completed negotiating the specific terms and clauses of the written settlement agreement, and it was exchanged for signature. The parties are currently in the process of executing the agreement and exchanging the documents necessary to finally consummate their settlement. The parties will file a stipulation of dismissal with the Court as soon as the agreement is executed and the parties have fulfilled their obligations thereunder. The parties currently anticipate being able to file the stipulation of dismissal by the end of November, 2005.

In the unlikely event that the parties fail to consummate their settlement agreement, they will return to the Court to request new deadlines not later than Friday, December 2, 2005.

Dated: November 1, 2005
